

Materials for an animal collage:

- Scrap paper
- Glue
- Pencil

- Start by drawing an outline of your animal.
- Pay attention to where the eyes and nose are.

- Now choose from your scrap paper... start by selecting the lighter colours.
- Rip the scrap paper and glue onto the drawing.

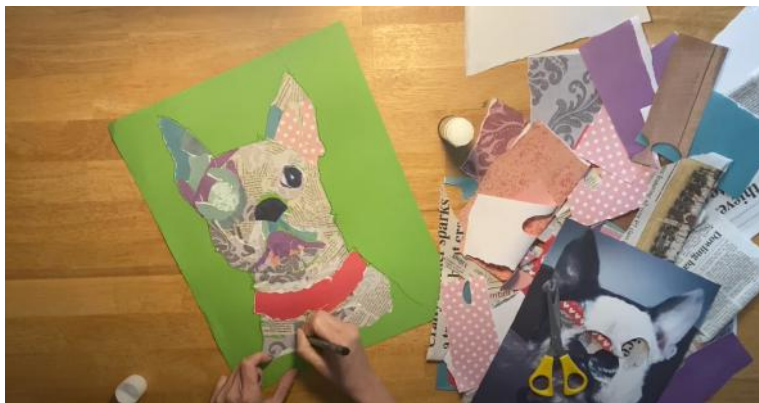

- Tear pieces to fit.
- Leave gaps for the eyes and nose.
- Try using a mixture of different papers.

- Now use the darker scrap paper to fill in the darker areas on your animal.

- Tear your paper to fit your outlines.

- The torn edges look good too!

- Use a mixture of different scrap paper.

- Now tear a shape to represent the mouth.

- Now fill in the eyes.

- Finally, you can use a dark pen to add detail to your collage.
