

Materials

- Pencil or charcoal
- Paints or coloured pencils/pens
- Brush and water jar

- masking tape (optional)

- Set up a table by a window in your house.
- Lay out your materials.
- Start by drawing the window frame.
- If you have masking tape. Tape over where you have drawn the window.
- Use a pencil or charcoal to draw what you can see through the window frame.

- Add colour to your drawing.

-Peel off the masking tape.
(if you have used it)

- Now add in the window frame.
- Draw in lines and shadows you can see on the window frame.
- Add anything you can see in front of the window.

- Add colour and shadow to the window frame.

- You can use black to add detail to your picture.
