

Materials

- Pencil
- Coloured paint / pencils / pastels
- Brush & water if using paint

- Get your materials ready.

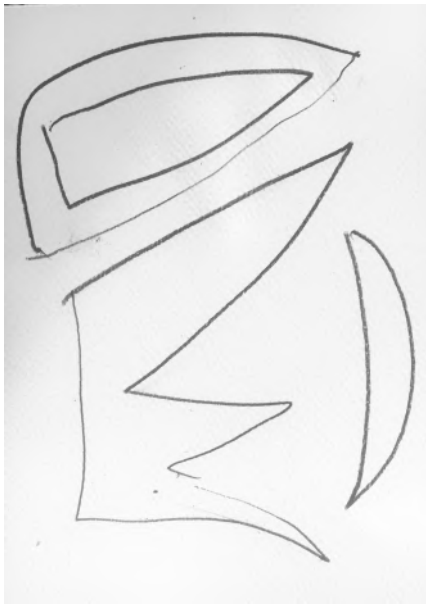

- Start by drawing 2 random shapes on the page.

- Now add another shape.

- You can draw as many shapes as you want or keep 3.

- Choose a colour and paint around the shapes.

- Now paint your shapes different colours.

- Try scratching the paint using the back of your paintbrush to create texture.
